

# Cardio-Pulmonary & CP Call Training

**Thursday, July 12**  
**Ashtabula Office**  
**2:00 – 3:30 p.m.**  
**Large Conference Room**

**Wednesday, September 12**  
**West Campus**  
**6:00 – 7:30 p.m.**  
**Large Conference Room**

Join us to learn more about various Cardiopulmonary diseases including symptoms and interventions. Class includes education for providing weekend phone support to Hospice patients or monthly calls to Navigator patients with these diseases. It is also a great refresher for anyone currently involved in the CP Phone Support program as well as helpful information for volunteers visiting Cardiopulmonary patients.
