

HEALING ARTS WORKSHOP

Grief Map

A *Virtual* Healing Arts Workshop

What does your grief journey look like? Looking at the losses of loved ones in a visual way can sometimes reveal previously hidden insights about the effects of grief on one's life. Using symbols, colors and representative drawings, participants will be invited to depict their journey of loss.

Thursdays, July 8 and 15, 6 to 7:30 p.m.

Tuesdays, July 13 and 20, 6 to 7:30 p.m.

For these virtual workshops, we are using the Microsoft Teams platform, which is similar to Zoom. If you register for the workshop, you are sent an email invitation which provides a link to join the workshop. Each workshop consists of two sessions, a week apart. At the first session, a theme or topic is introduced, and we have a discussion. You will be given instructions on the art assignment for the week, and the basic supplies you will need will be shipped to you. We get back together the second session to share and talk about your art. The supplies will be new and yours to keep.

Call **Mollie Borgione** at **216.486.6544** or email **mborgione@hospicewr.org** to register no later than **two weeks** in advance of workshop date. **Please make sure to include your home address so supplies can be mailed to you.**

*We have waived our suggested \$5 donation for supplies during the pandemic. However, if you wish to make a donation to the Healing Arts Program, go to our website, hospicewr.org and click on **Donate Now** to find out how.*
