

A Tranquil Comfort

OUR DISTINCTIVE TRIBUTE WALKWAYS are a tranquil refuge; a comfort; a place of contemplation and healing. Patients and loved ones venture outdoors to experience the sun, fresh air and bird song. Expressive therapists visit and connect with those who are grieving. Those who visit the tributes that line the paths feel closer to their loved ones.

Donors who believe nature soothes and inspires support the walkways. You too can make a lasting contribution to these special places by creating a tribute of your own. At HMC Hospice of Medina County, you can reserve a brick on one of two Tribute Walkways. No matter how you choose to leave a legacy, it will be enjoyed for generations to come.
